

Insurance through super

Insurance is one of the best ways to manage financial risk. It pays to understand how insurance inside your super fund works.

- Log into your account (www.ioofonline.com.au) to check what insurance cover you have within your super.
- Understand what cover is available through super by visiting our website (www.ioof.com.au).
- Check how much insurance you need by using our [insurance needs calculator](#).
- Seek help from a financial adviser. If you don't have an adviser, we can put you in touch with one.

For more information, speak to your financial adviser. Alternatively contact **ClientFirst** on **1800 913 118** or email clientfirst@ioof.com.au.
