IOOF provides an update on AET

IOOF Holdings Ltd (IOOF) today provides an update on the Australian Executor Trustees retail trustee business (AET).

In the IOOF FY20 results presentation on 31 August 2020, IOOF provided the following update, *“IOOF has received an expression of interest in relation to AET. There is no assurance that the sale of AET will progress beyond the non-binding indicative offer stage or be concluded”*.

IOOF has considered the expression of interest and confirms that discussions regarding the potential sale of AET have ceased. Our priority in the coming months is to focus on our strategic initiatives, completion of MLC, integration of P&I and growing the AET business within our advice-led strategy.
