Notes

1. The estimated Management Costs are inclusive of net GST and include the management fee and where relevant, expense recoveries and underlying investment manager fee, but exclude indirect costs and transactions costs. Please refer to the latest PDS and www.ioof.com.au for full details on fees and costs.
2. Performance is net of management costs and expenses. Performance is based on exit price to exit price for the period and assumes that all distributions are reinvested. Management costs and other expenses are accounted for in the exit price. Past performance is not a reliable indicator of future performance.
