

# STRATEGIC FIXED INTEREST FUND

AS AT 31 MARCH 2025

## INVESTMENT OBJECTIVE

To provide income and capital appreciation by investing in a broadly diversified portfolio of Australian and international fixed interest and money market securities.

## INVESTMENT PHILOSOPHY

The fund uses a “variable maturity” and “variable credit” approach to investing in a broadly diversified universe of short to medium term domestic and international government and corporate debt securities. The strategy does not purchase securities lower than investment grade or beyond five years in maturity.

## OVERVIEW

## PERFORMANCE

\*Inception date of fund 01-Sep-2011  
Performance figures are calculated net of management fees and costs and transaction costs, and assume income is reinvested on the last day of the distribution period. Returns for periods less than 1 year are actual returns. Past performance is not a reliable indicator of future performance, nor a promise of future returns. Performance can be volatile and may vary over time. Indices are not available for direct investment.
