---	---------------------------------

IOOF Employer Super, IOOF Personal Super, IOOF Pension

Foresight Group Holdings Limited (“Foresight”) has acquired the business and assets of WHEB Asset Management LLP (“WHEB”), the manager of the Pengana WHEB Sustainable Impact Fund.

As a result, Pengana Capital Limited (“Pengana”), the responsible entity for the Pengana WHEB Sustainable Impact Fund (the “Fund”), has appointed Foresight Group LLP as the new investment manager, replacing WHEB Asset Management LLP.

Pengana have stated there will be no change to the Fund’s investment philosophy, strategy, or process. The Fund’s name, other service providers, and governance structure will also remain unchanged. The WHEB team will retain full autonomy over all aspects of the investment process, ensuring a seamless transition for investors.

However, effective 20 March 2025, there are some changes as a result of a PDS update, which are as follows:

- Rewording of the non-financial portion of the Fund’s investment objective from “The Fund’s investment objective is to achieve capital growth over the medium to longer term, by investing in impactful companies which produce goods and services that solve sustainability challenges” to “The Fund’s investment objective is to achieve capital growth over the medium to longer term and contribute to positive sustainability impact over this period” (emphasis added).
- Rewording of the sections titled “Benefits of Investing in the Pengana WHEB Sustainable Impact Fund” and “How we Invest your Money.”
- Distribution payments: The PDS now provides that “we generally aim to pay income distributions within 20 business days” versus the prior PDS which stated that “net income, when it is available, will be distributed to unitholders as soon as reasonably practicable after 30 June each year.”
